The UK owners club and forum for your Nissan 350Z, GT-R, and 370Z

Welcome to nissansportz

nissansportz is a place to meet fellow Nissan sports car enthusiasts online, and through organised events and meets, share information through 'how to guides' and the web forum and get Member discounts.

Based in the UK but with members and partners world-wide, this club has been run by owners and enthusiasts since 2005 - with the passion and drive to provide the best performance a car club can give!

The Forum

The clubs' internet forum is the central hub of club activity. With members from all over the world providing help, discussing stories and supporting members; it's the best starting place to get the most out of your new car experience

Meets and Social

The club holds many meets throughout the year, these have included our own London to Brighton drive, a gathering at the Ace Cafe, a visit to the Beaulieu Motor Museum, club BBQ's and a Christmas party. The club also maintains a presence at numerous national events - specialist Japanese car shows, Le Mans series, Silverstone GT1 and Goodwood breakfasts

Trading Partners

nissansportz works in conjunction with a variety of well-known and trusted companies who share expertise, advice and discounts to ensure our member's wallets are looking good as well as the car. Our traders are able to provide savings across the range of essentials from oil and wiper blades to driver training skills

Club Benefits

On joining and receiving your membership pack you will gain access to many benefits and discounts through the club; insurance; detailing; tyres and more

Free Access

The forum is free to access so sign up and [say hello](#) today.
